Depth	66" Completely open 71"
Width	45"
Height	71"

Door Openings

Two (2)	
Flip Top	40" x 40"
Side Door	20" x 30"

Shipping Weight

Approximately 740 Lbs.

**Optional Accessories:**

- Water Filter
- Blow Off Gun
- Turntable
- Auto Power Basket
- Spare parts package
- Abrasives

*Also available with Trinco™ Deluxe package or DP 850 Pressure package*

**TRINCO™ DRY BLAST APPLICATIONS**

The applications of Trinco™ Cabinets are virtually limitless - cleaning, deburring, decorating, deflashing, etching, finishing, honing, peening, etc. All of these uses and more can be accomplished easily with quick sweeps of the gun nozzle. Scale corrosion, old paint and other surface materials are removed in minutes leaving metal surfaces free of foreign matter and contamination. Even tough mill scale is quickly and efficiently removed.

The usual operating pressure for the Trinco™ Dry Blast Cabinets is 85 PSI. The equipment utilizes a variety of abrasives such as Trin Mixes™, glass beads, aluminum oxide, silicon carbide, nut shells, etc. A multitude of finishes are possible ranging from a micro-finish to a coarse-grade finish depending upon the specific media used. Trinco™ Cabinets can apply the proper abrasive to provide the desired finish for each specific application.
