Product Summary

Download flyer

This Trinco™ Bench Model is ideal for cleaning small parts.

It has all of the features of a full size cabinet, yet doesn't require the space. The standard Trinco™ gun system is rated at 14 CFM, 60 PSI.

Another convenient option is a Trinco™ work stand that is 24" high and contains a swing-up shelf, and a slide-out tray for disposing of spent media.

The Trinco™ Bench Model can be purchased separately or with the work stand.

Ruggedly built of 14 Gauge welded steel

Carbon screen workflow

Heavyweight rubber gloves

TRINCO™ easy change window frames

TRINCO™ safety enclosed floor valve blasting control

TRINCO™ tungsten carbide nozzle

TRINCO™ hopper trap door for easy media change

Large 19 ½" x 12" Safety glass window

TRINCO™ CDB Dust Collector

Electrical: 115 Volt, 1 Phase, 60 Cycle

Incandescent lighting

Air pressure regulator and gauge mounted at front of cabinet allows for easy adjustment of blast pressures

Very popular model, great for home workshop, dental labs, jewelers, etc...
